Statement of Objects and Reasons

The Khadi and Village Industries Board Act does not provide for the Board to have two separate budgets, one for Khadi and the other for Village Industries. On further examination it is felt that it would be desirable for the Board to prepare two budgets as is done by the Khadi and Village Industries Commission.

Again it is felt that it would be advisable to consult the Khadi and Village Industries Commission before making certain appointments. Further it is felt that the proposed existing membership is too large and it has been decided to reduce it for the purposes of its better functioning. The Bill seeks to give effect to the above objects.
